On June 17, 2002, the undersigned attorney's law firm received all these documents returned, and they are hereby being resubmitted to the USPTO. The documents returned to our office, as can be seen from the attached resubmitted documents, were yellowed and brittle, indicating that they had been irradiated. The front of the envelope was stamped "RETURN TO SENDER", and no further explanation was provided as to why the documents were returned to sender.

Accordingly, Applicants resubmit all the documents and items enumerated above to the USPTO in response to the Notification of Missing Requirements, dated January 29, 2002. Applicants believe that these documents should be treated as if they had been submitted on May 17, 2002 with no additional fee due, since these documents, as mentioned above, were previously mailed on May 17, 2002 along with the requisite extension fee. However, if any additional fees are deemed to be due at this time, the Assistant Commissioner is authorized to charge payment of the same to Deposit Account No. 50-0552.
